

Greeting Fellow Democrats,

This election did not turn out the way we were hoping it would. The results are deeply disappointing, and we find ourselves saddened and frustrated. Just because we lost an election we will not give up on our struggle for a better community, state, country, and world. Looking for some solace Chairwoman Walters quoted William Hastie, the first African American to serve as a Federal Judge:

"Democracy is a process, not a static condition. It is becoming, rather than being. It can easily be lost, but never fully won. Its essence is eternal struggle."

A friend said he is saying the Serenity Prayer daily "to have the Serenity to accept what I cannot change, the Courage to change the things I can Change and the Wisdom to know the difference".

Enjoy this beautiful November day.
